(LAGU HEAL THE WORLD
dipopulerkan oleh Michael Jackson)

*There's a place in your heart
And I know that it is love
And this place could be much brighter than tomorrow*

*And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow*

*There are ways to get there
If you care enough for the living
Make a little space
Make a better place...*

*Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me*

*If you want to know why
There's a love that cannot lie
Love is strong
It only cares for joyful giving*

If we try
We shall see in this bliss
We cannot feel fear or dread
We stop existing and start living

Then it feels that always
Love's enough for us growing
So make a better world
Make a better world...

Heal the world
Make it a better place
For you and for me
And the entire human race

There are people dying
If you care enough for the living
Make a better place
For you and for me

And the dream we were conceived in
Will reveal a joyful face

And the world we once believed in
Will shine again in grace

Then why do we keep strangling life

Wound this Earth

Crucify its soul

Though it's plain to see

This world is heavenly

Be God's glow

We could fly so high

Let our spirits never die

In my heart I feel you are all

My brothers

Create a world with no fear

Together we'll cry

Happy tears

See the nations turn their swords

Into plowshares

We could really get there
If you cared enough for the living
Make a little space
To make a better place...

Heal the world
Make it a better place
For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place

For you and for me

Heal the world
Make it a better place
For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place

For you and for me

Heal the world
Make it a better place
For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place

For you and for me

Heal the world
Make it a better place
For you and for me

And the entire human race

There are people dying

If you care enough for the living

Make a better place

For you and for me

There are people dying
If you care enough for the living
Make a better place
For you and for me

There are people dying
If you care enough for the living
Make a better place
For you and for me

There are people dying
If you care enough for the living
Make a better place
For you and for me

You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me
You and for me

Heal the world we live in, save it for our children
Heal the world we live in, save it for our children
