### 2. MATERI AUDIO

#### a. Transkrip Monolog

Sarah works at a travel agency. She is telling the customers about a marine park in Hong Kong.	
1. SFX	: <b>SUASANA DI SEBUAH AGEN PERJALANAN</b>
2. SARAH	:
Good morning, ladies and gentlemen. We're happy to have you here today. I am Sarah and I am responsible for giving you information about the tourist destinations that you are going to visit. Well, ladies and gentlemen, I will start by giving you a brief description about a marine park, which is widely known as "Ocean	

Park Hong Kong”.

Ocean Park Hong Kong is a marine-life theme park featuring animals, thrilling rides and shows. It is located on the southern side of Hong Kong, with an area of more than 915,000 square meters.

Ocean Park Hong Kong comprises two main attraction zones: the Waterfront and the Summit. These attraction zones are subdivided into eight attractions: Amazing Asian Animals, Aqua City, Whiskers Harbour, Marine World, Polar Adventure, Adventure in Australia, Thrill Mountain, and the Rainforest.

In the Adventure in Australia attraction, visitors can see Australian animals, such as koalas and wallabies. The Polar Adventure lets visitors explore the North and South poles, from the excitement of a ride to the wonders of meeting king penguins up close.

In the Aqua City attraction, visitors can go on an exploration of the Grand Aquarium and view marine life from the world’s largest aquarium dome or from a giant viewing panel.

Visitors can enjoy some of Asia’s rarest animals in the Amazing Asian Animals attraction. They can get to know some of Asia’s most precious native animals, including giant pandas, red pandas, Chinese giant salamanders, and Chinese alligators.

During festive seasons, Ocean Park Hong Kong usually organises special events, such as the Halloween Bash, Asia’s biggest Halloween party, and Summer Splash water activities.

Ocean Park Hong Kong is committed to promoting and supporting animal conservation in Hong Kong and throughout Asia. Part of the proceeds from admission tickets and some retail items go towards the Ocean Park Conservation Foundation Hong Kong to support wildlife conservation projects.
